## PRESBYTERIANS HAVE ADJOURNED

Gathering at Greensboro, N.  
C., Comes to an End—  
"Confession of Faith."

By Associated Press.  
Greensboro, N. C., May 29.—The  
consideration of the report on schools  
and colleges was resumed today by  
the general assembly of the Southern  
Presbyterian church. In the discussion  
of the schools and colleges an  
amendment was adopted looking to  
the safeguarding of donations so as  
to keep them under the control of  
the church.  
The committee in the case of  
Young and others against the synod  
of Kentucky, recommended that the  
complaint be sustained and the whole  
matter was referred back to the  
synod for a new hearing. The report  
of the committee was accepted.  
In view of the widespread difference  
of opinion as to the necessity of  
a change of some sort to a confession  
of faith, the assembly decided to  
Presbyteries the question: "Shall any  
change be made in the confession of  
faith, chapter 10, section 7?"  
On the subject of polygamy the  
assembly adopted a resolution expressing  
sympathy with the missionaries in  
the foreign field in the difficulties  
encountered and at the same time en-  
joins upon the missionary that in  
dealing with questions arising out of  
those conditions he must be careful  
to make it plain that such customs  
and practices are to be condemned as  
contrary to the law of Christ as re-  
vealed in the Scripture.  
The committee appointed to formu-  
late judgment in the appeal of the  
Presbytery of eastern Texas against  
the synod of Texas, reported the  
Presbytery sustained, and the synod  
reversed.  
The assembly formally dissolved at  
4:45 p. m.

## FILIBUSTER HOLDS SENATE ALL NIGHT

LaFollette Leads a Revolt  
Against Aldrich-Vreeland  
Currency Bill.

### WISCONSINAN TALKS FOR OVER 18 HOURS

Jeff Davis Said to Have Wined  
LaFollette to Hold Out  
Until He Can Reach Capital—  
Leader of Filibuster  
Threatens to Keep Senate  
in Session Three Weeks  
More.

By Associated Press.  
Washington, May 29.—Senator La  
Follette, in an effort to  
defeat the conference report on the  
Aldrich-Vreeland currency bill, led the  
most effective filibuster movement  
that the upper house of congress has  
witnessed in several years. The sen-  
ator began talking in the morning ses-  
sion, and at 3 a. m. he had not  
stopped, and stated that he would talk  
all night.

### Twenty Roll Calls.

When the report was brought up he  
took the floor and insisted that a  
quorum be maintained all the time,  
and up to 6 o'clock had demanded 20  
roll-calls.  
Shortly before 6 o'clock La Follette  
inquired whether the proposition  
would be agreed, to strike out the rail-  
road bonds and stocks from the list  
of securities contemplated in the con-  
ference agreement, but Aldrich  
promptly declined the offer, saying  
the adoption of the report was the  
only question before the senate.

La Follette threatened during the  
day to keep the senate in session  
three weeks.  
It is understood that Senator Stone  
of Missouri will give his support to

## Theodore Price and Others Charged With "Crop Leaks"

By Associated Press.  
Washington, May 29.—Almost sim-  
ultaneously in Washington and New  
York, indictments were today re-  
turned against Theodore H. Price, a  
prominent New York corn broker,  
Frederick A. Peckham and Moses  
Haas, both of New York, and Edwin  
S. Holmes, Jr., of this city, formerly  
assistant statistician of the depart-  
ment of agriculture, for alleged par-

## STREET CAR RAN WILD; 20 HURT

Motorman Loses Control of  
Car Carrying 300 Baseball  
Fans—Men, Women and  
Children Jump and Road-  
way Lined With Injured—  
None Hurt Fatally.

By Associated Press.  
Montgomery, Ala., May 29.—A score  
or more persons were injured late  
today when a crowded electric car  
returning from the baseball park ran  
away, down a steep incline, east of  
Madison avenue. None who were in-  
jured are fatally hurt.

Three hundred or more passengers  
were on the car, which was one of a  
number bringing the crowd back to  
the city from today's Southern League  
ball game. It is stated by eye wit-  
nesses that the car was too close  
upon the one ahead, and when it be-  
came apparent that the car was be-  
yond control of the motorman, and  
while he was shouting to the crew  
ahead to pull out and give him room,  
there was a scramble for safety among  
the passengers.

Men, women and boys jumped off  
the car regardless of their personal  
safety, and in a few moments the  
roadway was lined with injured per-  
sons. The car was finally stopped at  
the foot of the hill.

trict—Cloudbursts, Water-

nadoes Visit Various Parts  
of New State.

By Associated Press.  
Guthrie, Okla., May 29.—A second  
series of cyclones, tornadoes, water  
spouts and heavy rains struck Okla-  
homa last night. Tornadoes are re-  
ported at Hennessey, Enid, Frederick,  
Cashion and Duncan; cloudbursts at  
Weleetka and Tulsa, and waterspouts  
at Navina.

The damage last night was as great  
as the flood of last week. Five per-  
sons are reported killed at Duncan,  
and three seriously injured, near  
Cashion.

A hail storm did much damage to  
crops on Red River. A number of  
lives are believed to have been lost,  
as a result of the sudden rise.

Telephone and telegraph wires are  
down generally throughout the state.

## FITTING CLOSE OF VERY SUCCESSFUL SCHOOL YEAR

Commencement Exercises Of  
Pensacola High School  
Last Night.

### MISS LeBARON WINS PARKHILL MEDAL

Exercises Were Witnessed  
By a Large Audience,  
Which Taxed the Capacity  
of the Opera House—Di-  
plomas Presented Gradu-  
ating Class.

Witnessed by an audience which  
taxed the capacity of the opera house,  
complete in every detail, and reflect-  
ing credit upon pupils and instructors  
alike, the fourth annual commence-  
ment of the Pensacola High School  
occurred last night. The essays were  
splendid, and the oratorical contests  
interesting, especially those for the  
Parkhill medal, which resulted in  
Miss Olivia LeBaron being declared  
the winner. The exercises were a  
most fitting close of a very success-  
ful school year.

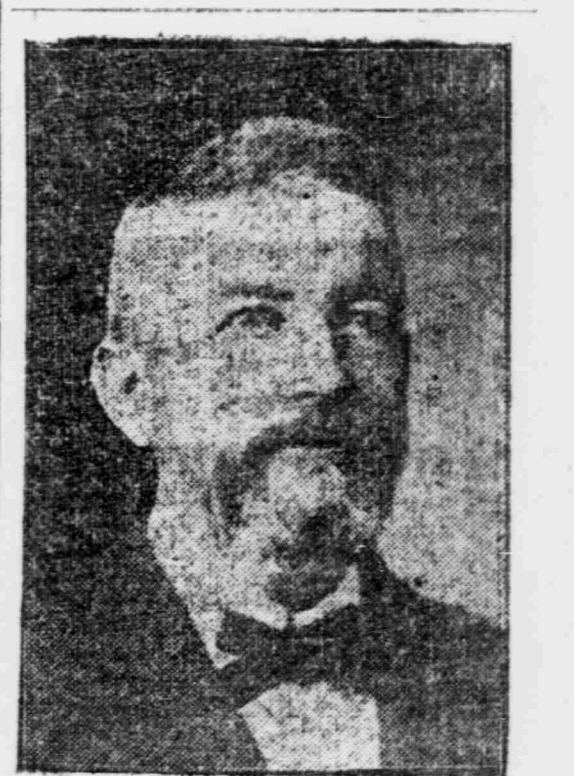

At a few minutes past 8 o'clock the  
curtain rose, members of the gradu-  
ating class, medalists, judges, etc., be-  
ing seated upon the stage, which was  
beautifully decorated in potted plants,  
ferns and vines, the woodland scenery  
of the theatre forming a beautiful  
background.

The graduates occupied the front  
seats, the young ladies all daintily  
gowned in graduation robes, each  
dress handsomely trimmed in lace,  
with white ribbon girdles, and white  
hair ribbons. No prettier or more  
graceful body of "sweet girl gradu-  
ates" could be produced in a city  
twice the size of Pensacola, and their  
many friends admired and applauded  
throughout the evening.

A notable fact this year was that  
there were three boys in the gradu-  
ation class, and this created much  
favorable comment, as last year the  
only graduates were young ladies.

The High School Glee club re-  
ndered the opening chorus, and as the  
club has over 75 well-trained mem-  
bers, the music was excellent.

The Prize Essays.  
The first numbers on the program  
were the reading of the various prize  
essays. Miss Margaret Campbell read

Who Presented Diplomas to Graduates  
of High School.

her essay on "The Seize and Fall  
of Charleston, S. C.," for which she  
was awarded the medal given by the  
Sons of the American Revolution, and  
which was presented by Judge A. C.  
Blount, Jr. Then followed the essay,  
"Memorial Day," by Mr. Charles  
Overman, who was awarded the  
Blount composition medal, which was  
presented by Rev. P. H. Whaley.  
Miss Tullulah Fell read the essay,  
"The Purpose of the U. S. C.," for  
which she was awarded the Daugh-  
ters of the Confederacy medal. Hon.  
W. E. Anderson presenting R. Miss  
Margaret Campbell, who also won the  
P. K. Yonge history medal, read her  
essay, which was considered well  
worthy of the prize. Rev. Percival H.  
Whaley presented the Blount com-  
position medal, expressing his pleasure  
in awarding it, and at the annual im-  
provement in the high school, which  
is perceptible at each commencement.  
The Helen Fisher medal, which was  
awarded to Miss Lola Lee Daniell for  
the highest average made in every  
study in section A, fifth grade, was  
presented to this bright little girl by  
Hon. C. L. Shine.

Parkhill Medal.  
The event of the evening was the  
Parkhill medal contest, which is  
given each year by Justice C. B. Park-  
hill, of the supreme court, for the best  
recitation.

The contestants and judges were as  
follows:  
Pro Patrio—Olivia LeBaron.  
The Execution of Montrose—Miriam  
Blount.  
As the Moon Rose—Florence Hal-  
sey.

## STRANGE DISAPPEARANCE BR. STEAMER GOLDSBORO

British Government Asked  
to Have Warships Run  
Down Vessel Which Has  
No Better Status Than a  
Pirate.

Special to The Journal.  
New York, May 29.—Pressure was  
brought to bear upon the British Am-  
bassador James Bryce, at Washing-  
ton, today to get him to have his gov-  
ernment order out a British cruiser  
to hunt for the steamer Goldsboro  
because she has no better status than  
a pirate.  
The Goldsboro was chartered by the  
Export Shipping Company, which  
failed after its president and secre-  
tary had disappeared. They are be-  
lieved to be on board the pirate steam-  
er, which is also carrying \$250,000  
belonging to American shippers.

The Goldsboro sailed from this port  
May 2 and has not been heard from  
since. She cleared for Belize, British  
Honduras, but she has not touched  
there. The vessel sailed under the  
British flag, but when she had hardly  
got beyond Sandy Hook her British  
registry was revoked by the British  
consul general in New York.

It was learned today from Edward  
B. Bois, who has been appointed by  
the United States courts receiver for  
the Export Shipping Company, that  
Francis G. Bailey and A. W. Bailey,  
the president and secretary of the  
company, had several drafts discount-  
ed before they disappeared.

Joseph Fried, counsel for the cred-  
itors of the Export Company, was in  
Washington today to see Ambassador  
Bryce and to have a British cruiser  
ordered from one of the Caribbean  
or one of the southern seas for search  
of the high seas for the Goldsboro,  
and bring her back to these waters.  
The mystery of the Goldsboro has  
been growing day by day. She sailed  
from New York with only 200 tons  
of coal aboard, and she has not put  
into any port either in the Antilles  
or in Central or South America to  
fill her bunkers.

H. H. Rockwell, the treasurer of the  
Export Company, was in New York  
today, adding the receiver to straight-  
en out the affairs of the concern.

### General Lee's Funeral Today

Special to The Journal.  
Columbus, Miss., May 29.—The fun-  
eral of General Stephen D. Lee will  
be held at this place today. Veterans  
from all parts of the south have ar-  
rived in the city to attend the fun-  
eral. In the funeral cortege will  
march thousands of Confederate vet-  
erans who have assembled here.  
The services will be conducted at  
the former home of General Lee, ac-  
cording to the Baptist ritual, the gen-  
eral having been a member of that  
church. Major General Robert Low-  
ry, commanding the Mississippi di-  
vision will be in command of the vet-  
erans.  
General W. L. B. Cabell, of Texas,  
who succeeds General Lee as com-  
mander in chief of the United Confed-  
erate Veterans, will be unable to be  
present on account of the storms in  
Texas.
